

HIRE-Program

Helping Individuals Re-enter Employment

Join in our effort to end homelessness in the Silicon Valley by connecting your open jobs with our HIRE graduates. Program graduates receive job skills training making them a valuable addition to your team. The HIRE Program at work2future provides your business with a pipeline of qualified and trained job candidates who are facing homelessness, but are motivated and ready to work.

Recruit your next employee from HIRE today!

WHY HIRE OUR GRADUATES?

- > National Retail Federation Customer Service Certification
- > ServSafe Certification
- > Computer Skills
- > Short-Term Vocational Training
- > 92% have HS Diploma
